Contact Us About Emergency Response to the Gold King Mine Release form

Hello,

The US EPA has prepared the following information resource:

EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife. Please see our website for the latest information: <http://www2.epa.gov/goldkingmine>
Regular updates will be posted as they are available.
EPA Hotline: 844-607-9700 (toll-free)

Comments: Any information about the contaminated water that's suppose to hit
Lake Powell soon? We're suppose to be on the lake Sunday August 16, 2015.
Even if the minerals settle what about the arsenic? Thank you and take care.
